

QUARTERLY REPORT

Q4

The Bridge Center for Hope had the distinction of presenting at Community Care's Parish Wide meeting in December and briefing Metro Council on Bridge Center statistics. Visit The Bridge Center's webpage to sign up for the newsletter.

BRIDGE CENTER FACILITY HIGHLIGHTS

Overall, The Bridge Center facility has admitted 2,141 guests and received 2,286 presentations.

Fourth quarter's guest presentations to the facility were 614, with 590 admits. Four hundred and ninety-five were unduplicated guests with a 16% quarterly readmission rate. (Guests are considered readmitted if they have been to the facility less than after discharge.)

Five hundred and sixty-four were from East Baton Rouge Parish, and 26 were from out-of-parish residents for the fourth quarter.

In the fourth quarter, 393 people came into the facility on their own. In addition, first responder escorts account for 197 guests.

The average response time for the quarter was 3.44, and the average response time for the year was 3.53, which has consistently exceeded the projected average of 5 to 7 minutes.

4TH QUARTER TOTAL PER AGENCY

During the fourth quarter, 288 guests sought mental health services and 271 sought treatment for substance use services.
